

WIRE DESK

MAKE MOBILE PART OF THE SCHOOL DAY

Introducing the Wire Desk that allows teachers to be more mobile in the classroom. It's built to be both functional and adaptable and is ideal for breakout sessions, study groups, checking work or smaller classroom settings. The desk can be moved out of the way when not in use, and its small footprint can help save space in the classroom. Made to last, this Wire Desk can stand up to all of the changes throughout the school year.
